

HEATRAESADIA

SMARTER | CLEANER | WARMER

UNVENTED POINT-OF-USE
HOT WATER

PRODUCT RANGE

Multipoint ranges and Hotflo.

Electric commercial
hot water solutions
for installation at
the point of use.

Many different types of commercial and industrial organisations need a reliable supply of hot water for up to 10 basins or sinks, where they only have a mains supply of cold water.

Typical applications are:

- Holiday lets
- Student accommodation
- Office buildings
- Washrooms
- Garages
- Workshops / studios
- Converted outbuildings

Our team at Heatrae Sadia, have designed a range of unvented, point-of-use water heaters around our customers' diverse and practical commercial needs.

UK designed, engineered and manufactured, our Multipoint, Multipoint Eco and Hotflo ranges come in an array of shapes, sizes and specifications, with parts and labour warranties* and industry approvals.

**Please visit heatraesadia.com for details of full product warranties.*

A close-up photograph of a person's hands being washed with soap and water in a sink. The hands are covered in white, bubbly foam. Water is running from a faucet in the background, creating a spray of water droplets. The person is wearing a white shirt. The overall scene is brightly lit, emphasizing the cleanliness of the process.

MULTIPOINT/MULTIPOINT ECO Commercial hot water solutions

With no requirement for a cold water cistern, Multipoint / Multipoint Eco is the answer to many of our customers' commercial hot water needs.

Whether you have standard or mixer taps, one or ten basins or sinks to supply or even a shower, there is a Multipoint product to suit your needs.

Our range comes in a mix of different capacities, as well as horizontal and vertical designs, all with high kW ratings for a faster recovery time. All you need is a mains water supply and electricity.

The Multipoint 10/15 comes with a 5 year warranty and the Multipoint Eco 30-100 litre units with a 15 year warranty. Both include on-site service support.*

**Please visit heatraesadia.com for details of full product warranties.*

MULTIPOINT 10 / 15

MULTIPOINT ECO 30-100L

MULTIPOINT INSTANTANEOUS

Instant hot water without storage

Multipoint Instantaneous is the ideal compact water heater for remote locations, garages and cloakrooms and is perfect for student and holiday accommodation.

Unlike our other models in the range, Multipoint Instantaneous doesn't store hot water. The main benefit being that the unit is greatly reduced in size because it doesn't have to accommodate a hot water storage tank.

Multipoint Instantaneous provides hot water for a shower and a tap outlet with draw-off priority given to one outlet at a time.**

Widely used in commercial settings Multipoint Instantaneous is fitted with a safety-cut out to prevent overheating and has a moulded ABS vandal-resistant casing. Multipoint Instantaneous comes with a 2 year warranty. Both include on-site service support.*

**Please visit heatraesadia.com for details of full product warranties.*

***Not suitable for mixer showers or taps*

MULTIPOINT INSTANTANEOUS

HOTFLO

Hot water on a small scale

Hotflo 10/15 have been designed with the smaller commercial business in mind, suitable for situations where hot water is needed for two or three sinks and basins.

The larger capacity Hotflo units can provide water to larger premises with multiple basin requirements. With no need for a cold water cistern, Hotflo offers greater siting flexibility and works with either standard or mixer taps.

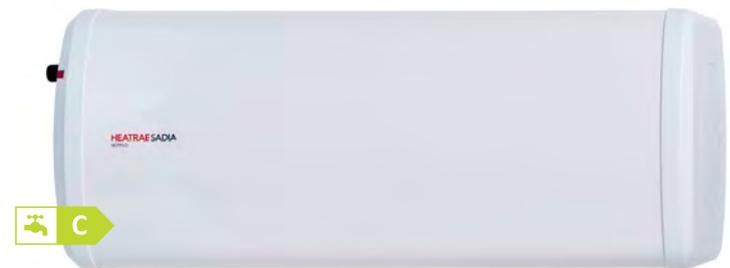

Hotflo is available in both horizontal and vertical units for sizes 50 to 100 litres. See ordering guide on page 11 for details.

The Hotflo 10/15 comes with a 2 year warranty while the 50-100 litre units come with a 5 year warranty. Both including on-site service support.

**Please visit heatraesadia.com for details of full product warranties.*
