

TECHNICAL DATA SHEET

Product Code: [168327]

Product Description: [Plumbright 15mm x 15mm Equal Elbow SPE6766M]

Product Image:

Product Specification

Dimensions: [63mm x 63mm x 33mm]

Materials: [X-linked Polyethylene.]

Fitting: [Additional fittings are not supplied]

Standards: BS7291 1,2-3

Approvals: WRAS, BSI

Additional Information

F&B (Features & Benefits):

- Simple and Easy to install. Twist and Lock push fittings
- Secure connection indicator helps confirm leak-free joints. Strong Gripping Strength
- Easy verification of coupling (lock/unlock) status, even from a distance. No tools required
- Lightweight for easy handling.
- Removable and reusable without damage to plumbing or fittings.

The information contained within this specification sheet is believed to be correct and complete at the time of creation. All photographs / drawings are as a guide only and do not necessarily represent the products available. The Highbourne Group reserves the right to change product details and price without prior notice.

TECHNICAL DATA SHEET

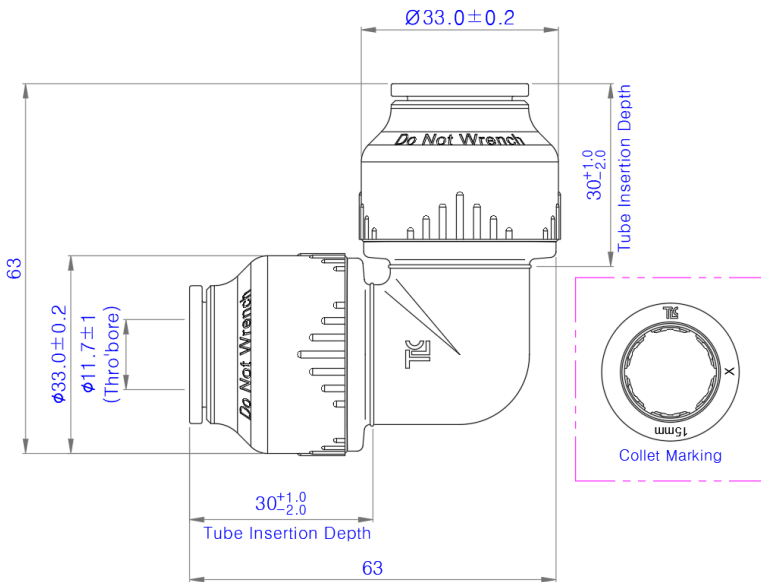

- Strong connection suitable for heating systems.
- Product traceability code printed on the product to track manufacturing quality control.
- Flame-free, no need for a blowtorch.
- No corrosion or mineral build-up.
- Low heat diffusion ensures safe surface temperature.
- More resistant to bursting under freezing temperatures.
- No lead, non-toxic.

Other information:

Before you start, inspect the pipe. Ensure there are no scratches, gouges or any form of damage or deformation on the pipe. It should also be free from dirt and grease that may affect the seal.

After product installation, be sure to inspect for any possible leaks.
